- Rotarys samlede bidrag til utryddelsesarbeidet nærmer seg 800 millioner dollar. I januar lover Bill & Melinda Gates Foundation 355 millioner dollar og gir Rotary et utfordringsstipend på 200 millioner dollar. Denne kunngjøringen vil resultere i 555 millioner dollar til sammen til støtte for Global Polio Eradication Initiative.

Resultatet av samarbeidet med B & M Gates Foundation er:
For hver krone/\$ Rotary samler inn så bidrar B &M med 2 kr/\$.
Hver polio-vaksine koster bare 0,12 \$.
Samler Rotary inn 10000 \$, Gir **B & M Foundation** 20000 \$.
Dette tilsvarer enorme 250 000 vaksiner.

NB!!

Slutter vi å vaksinere befolkningen vet vi at polio vil bli et stort problem i fremtiden. Viruset som er årsak til polio har alltid vært der og vil alltid være der!
